

Dear Parents and Guardians,

It is nearing Back-to-School season once again, and I look forward to an exciting year at LeTort Elementary! My name is Miss Rhine, and I will be your son or daughter's 5<sup>th</sup> grade teacher. It truly is a privilege to invest in the life of your child and to nurture a curious and successful learner!

There are many highlights to look forward to this year. We work on research skills with a culminating "Animal Report" and "International Day Project!" Your child will also develop strong essay structure, enjoy high-interest reading experiences, and improve reading fluency through whole-class and small-group Reader's Theater skits. Each day, your child will also visit Mrs. Bieber for Math class!

As you prepare for the Fall, please examine the Fifth Grade Supply List and be sure to label your child's personal items with their first name and last initial. The supplies they will need include:

- Earbuds or headphones (for use with school i-pads)
- Pencil Box
- Pencils and Pencil Sharpener
- Highlighter
- Set of Colored Pencils
- A 3-Ring Binder
- 2 Spiral Notebooks
- 3 Folders

If you have any questions, please don't hesitate to contact me via email at [rhines@carliseschools.org](mailto:rhines@carliseschools.org) or phone at 717-240-6800. I recognize that parents and teachers make a team, and I am eager to partner with you this year. Both Mrs. Bieber and I look forward to meeting your child very soon and experiencing a wonderful and successful year together!

Sincerely,

Miss Rhine
